DIRECTOR'S MESSAGE

It is a moment filled with joy and satisfaction as we present our talent to the industry. Our students have not only undergone rigorous honing of academic skills, but have also kept pace with the world in extra curricular activities.

I am sure that having passed through such stringent exercises; our students today would be second to none in this highly competitive world. This institute, ever since its inception, has been continuously striving for excellence in all areas. The infrastructural developments have been instep with the state-of-the-art requirements. Scores of students have excelled in national level entrance tests scoring phenomenally high marks. The increasing number of our students being placed in well renowned National and Multi-National companies speaks volumes of our talent. I wish all my students the best in their endeavors in life and assure the industry that none of student would ever fail them in their tasks & objectives.

Dr. T.S. Sidhu
PhD (IIT, Roorkee)
Director, SBSCET Ferozepur

Shaheed Bhagat Singh College of Engineering & Technology is one of the oldest Engineering Colleges in the state of Punjab. We had privilege to culminate more than 80 % placement in 2008-09 session. The industry-institute linkages are getting cemented over the years.

We remain ever committed to keep our students industry-ready. Accordingly The courses here are regularly restructured to meet ever changing industry requirements. We earnestly invite you to be a part of SBSCET's Industry-Institute Symbiosis. So you are welcome to a talent pool whose products will surely turn to be valuable assets to your organization.

S.K. Kazal
B.Tech., MBA, MCA
Training & Placement Officer

WHO ARE WE?

Shaheed Bhagat Singh College of Engineering & Technology

- *It is a Govt. College established by Punjab Govt. in the year 1995. The college is fully promoted by the Punjab Govt. and is registered as a Society under the Societies Registration Act 1860.*
- *The college affairs are administered by a Board of Governors with the Hon'ble Minister of Technical Education & Industrial Training, Punjab as Chairman.*
- *Named after the Great Martyr Shaheed Bhagat Singh,, the college is located at the historic city of Ferozepur on Moga-Ferozepur National Highway (NH-95), 4 KM before Ferozepur in the state of Punjab.*
- *It is a premier institute in the state of Punjab pursuing excellence in the field of technical education for the last 15 years.*
- *The college with its lush green campus spread over 98 acres is situated just 13 kms before Indo-Pakistan border.*
- *Aesthetically built buildings, well furnished classrooms, lecture theatres, library, workshops, laboratories and vast play grounds, indoor and outdoor sports facilities, well planned extracurricular activities and well furnished hostels in the campus, offer an ideal environment for pursuit of a professional career.*

SBSCET

*Stands as a
humble
spectacle
where
tradition
meets vogue,
aspiration
meets
inspiration
and where
regional
excellence
defines global
benchmarks.*

FACULTY PROFILE

- ✓ Above 46% of our Faculty is either Ph.D or near completion of their Ph.D
- ✓ 100% of the faculty is either M.Tech. or near completion of their PG
- ✓ The college has a dedicated faculty development mechanism. They are regularly sent to attend national & international conferences, seminars & short term courses to keep them updated with latest trends & industry requirements.

The college faculty is a team of about 80 teachers who are well qualified, mature & committed to the cause of quality education. Most of them are having teaching & research experience of above 10 years.

- ✓ Research orientation of our faculty is manifested by the fact that gross investment on Research Projects undertaken by faculty under the sponsorships from different governmental agencies like AICTE, DST, state govt. etc is of the tune of Rs. Two Crores.
- ✓ The college teachers are actively encouraged to pursue higher studies through study leave, Quality Improvement Programme of Govt. of India whereby teachers are sent for PG, Ph.D. & post doctoral research at IITs & other premier institutes.

PROGRAMME INFORMATION

Diploma

The admission to various Disciplines is based on the result of 'JET' Entrance Test conducted by Punjab State Board of Technical Education.

B. Tech.

The Candidate will be eligible to get admission in this college if he/she has passed the 10+2 or its equivalent examination conducted by a recognized board / university /council with physics, mathematics, and chemistry as compulsory subjects. In addition to above subjects, candidate is also required to pass in English.

To get the admission student has to appear for the Combined Entrance Test (CET) being conducted by the Punjab Technical University (PTU) Jalandhar. The admission to the different B.Tech courses will be given on the basis of merit in the rank you will get in CET, as the seats are limited.

M. Tech.

The College offers Post Graduate programmes in CSE, ECE, ME, CHE and Environmental Science and Engineering on part time basis. These programmes are being offered under the special scheme of PTU of establishing Regional Centers for catering the needs of Technical manpower of this part of the country.

Ph.D.

In addition to this, Ph.D. programmes are also being offered in the areas of Computer Sci. & Engg, Mechanical Engg, Material Science & Engg, Chemical Engg, Physical and Chemical Sciences.

- ✓The curriculum is designed so as to enable the students to keep themselves updated with the latest technologies. To this effect a great emphasis is laid on practical applications which complement their theoretical knowledge.
- ✓In every week, there are 18 hours of lecture, 6 hours of tutorials and 9 hours of practical classes.
- ✓Regular assignments are given to the students which make them look beyond their prescribed textbooks.
- ✓Mandatory minor and major projects.
- ✓Mandatory 2-months and 6-months Industrial training /internships.
- ✓Technical fests organized by the students create a competitive atmosphere among the students and help in generating leadership and management qualities.

| | Discipline | No. of Seats in Diploma | No. of Seats in B.Tech | No. of Seats in M.Tech |
|---|---------------------------|-------------------------|------------------------|------------------------|
| 1 | Computer Science & Engg. | 60 | 90* | 25 |
| 2 | Electronics & Comm. Engg. | 60 | 90* | 25 |
| 3 | Electrical Engg. | -- | 60* | -- |
| 4 | Mechanical Engg. | 60 | 120* | 25 |
| 5 | Chemical Engg. | -- | 30* | 25 |
| 6 | Environmental Sci & Engg. | -- | -- | 25 |

* plus Additional 10% seats for LEET students and 10% seats for Economically weaker section

- ✓Every student of the college has to give Power Point presentations on different topics of every subject using LCD projectors & other audio visual aids. This greatly helps them to improve their communication & presentation skills.

INFRASTRUCTURE

Library

Computer Centre

Computation Lab

RDBMS Lab

Lecture Theatres

Focused Classroom Teaching

- Campus Wide Networking
- Advanced Fiber Optic Network spread over entire SBSCET campus
- EPBAX facility throughout the campus
- Departmental labs with state of art infrastructure
- State of art Computer Centre with 8 Mbps lease line Internet connectivity.

Faculty (Computer Science & Engineering)

Dr. Krishan Kumar
HOD-CSE

Email: k.saluja@rediffmail.com
k.saluja@ieee.org

Ph. No.s :- +918054100707, +919463000845
01632500803 (O), 01632246845 (R)

Dr. Krishan Kumar has done B.Tech. Computer Science and Engineering from National Institute of Technology NIT, Hamirpur in 1995. He finished his MS Software Systems from BITS Pilani in 2001. Recently in Feb. 2008, he finished his Ph. D. from Department of Electronics & Computer Engineering at Indian Institute of Technology, Roorkee. Currently, he is an Associate Professor at SBS College of Engineering & Technology, Ferozepur, Punjab, India. He has over 14 years of experience in teaching at graduate and postgraduate levels. He is also an active researcher in the field of Network Security and Computer Networks. He has guided more than 10 M.Tech. Dissertations, and 04 M.Phil thesis. Currently 03 students are doing Ph.D. under his guidance. He has published over 30 research papers in International Journals and conferences. His specific research interests include Intrusion Detection, Protection from Internet Attacks, Web performance, Network architecture/protocols, and Network measurement/modeling. Under his dynamic leadership, whole CSE department is working as coordinated unit to impart quality education to their students.

Mr. Anil Bansal
Assistant Professor
MCA

Experience: 9+years
Specialization: Web Development

The average teaching experience of Computer Science Faculty is 10 years. All of them are actively engaged in research work. Publishing research papers in national & international journals & conferences is a regular feature which keeps teaching in touch with latest industry trends.

BEYOND ACADEMICS

Technical and Cultural Societies

Every department has a technical society which organizes various activities like seminars, Tech-fests, industrial visits, aptitude tests etc. aimed at guiding the students to develop their skills and talent both in management and technical aspects.

ISTE

A special program under ISTE Chapter staffed and financed by AICTE carries out various projects such as seminars, conferences, refresher courses, workshops etc. and prompting technical education in the unique way, outside classroom, local ISTE students chapter organizes events such as technical paper presentation contest, declamation contests, group discussions which enhance the overall development of the students. ISTE Chapter.

SECA

Engineer as a world stands, means a professional, and a professional should never and never be a bookworm. Keeping this in view the college has given its students a platform to bring the outer side of their personality to the fore front. To give them a chance to bring out their inter personnel skills and their hobbies.

CHESS

This society aims at the development of personality of students of chemical engineers. The objective is met by organizing various competitions, technical paper presentations, technical quizzes, working models of experimental setups and industrial problems and solutions at inter and intra college level.

SFME

Apart from providing the state-of-art development and up-to-date trends to the students, the society endeavors at providing a platform for them to interact and exchange their knowledge and expertise in various fields

SELCOME

This society aims to promote technical and professional skills of Electronics engineers by organizing technical events such as Paper presentation, Quiz's and Model display etc.

Compuwave

This society aims to transform students into perspicacious & innovative individuals besides improving their logical and technical skills. The efforts of the society always underline one famous saying "*Knowledge is Power and Ideas rules the World.*"

NSS

It is sought to arouse the social consciousness of students and provide them with opportunity to work with the people around the educational campus creatively and constructively. The motto of NSS is "Not We, But You"

NCC

NCC lays a sound foundation to enter into field of Defense. Besides this, marks are reserved for NCC in almost every interview/recruitment. The college has a NCC unit of 13 Punjab Battalion. There are two platoons with troop members 6/13. the total quota of the Platoons is 106 cadets

CAMPUS LIFE

GupShup outside Hostel

Hostels: Home at a distance

Masti on Royal Enfield

Sports & Student's Activities

Examination Tension

Group Discussion Sessions

Communication Skills Training

Punjabi Bhangra on Cultural Fest

- ✓ Centrally Air Conditioned Computer Centre for conducting Online Tests.
- ✓ Well equipped seminar hall for conducting pre-placement talks.
- ✓ Fully furnished group discussion and personal interview rooms.
- ✓ Student volunteers for all possible arrangements on the day of visit.
- ✓ Arrangements for comfortable stay in SBSCET Guest House & near by Hotels.

We replace the words like 'wish', 'try' & 'should with 'I will'

Recruitment Procedure

- ✓ Invitation is sent to the company for being part of SBSCET placement process.
- ✓ On obtaining the organization's intent to participate in our placement processes, T & P will send a Job Notification Form to the company via e-mail
- ✓ The company needs to complete the Job Notification Form to communicate the details of the possibilities offered to the candidates.
- ✓ The dates are allotted on the basis of :
 - Students ranking of the company
 - Compensation package
 - Career Prospects
 - Students intake
- ✓ The company visits the campus on mutually agreed date and conducts Aptitude/Technical tests/Personal Interviews/ GD's as part of their preferred selection procedure.
- ✓ After the completion of the selection procedure, the company is expected to furnish the final list of selected students on the day of recruitment or at the earliest.
- ✓ If the company wishes to have an interactive session with the students they can contact the T & P cell.

As a special attraction, the visiting companies if they so desire are taken to visit the Indo-Pak Border at Hussainiwala for watching the widely acclaimed Retreat Ceremony. That way one can also pay homage at the Smadhis of great martyrs Shaheed Bhagat Singh, Rajguru & Sukhdev at the banks of river Sutlej.
